**Something For Everyone - Salvation Bracelet Assembly**

A letter arrives at the local associational office from a prison inmate in a far away place. The letter relates the story of the inmate receiving Christ as his/her savior, because of a simple Salvation Bracelet. How the inmate received the bracelet is a mystery, since they are distributed at state fairs, roadside rest stops during holidays and many other methods. How many lives will be impacted with the 50,000 Salvation Bracelets that will be distributed during Wyoming Mission 2009? We may never know, this side of Heaven! You can help. Organize your family, your women's groups, your youth group or work by yourself. Make 25, 100, 500 or 5000. Beads & leather straps are available at most craft stores. For more information, or to get involved with this important ministry, please contact Sarah at (828) 684-6949 or click here to [email](#).

**1st Annual Benefit Auction**

Giving from the heart. Sacrificing. Words associated with supporting God's work. This photo shows Judy with a precious hand made doll that she is donating to be sold at our 1st Annual Benefit Auction. To her, raising funds to support local mission work and extending the ministry of churches into the spiritual frontier is more important than owning earthly treasures. To donate items (please no junk) or to get involved, contact Angie at (828) 668-7825 or click here to [email](#). Clip this reminder and stick on your refrigerator.
