Missions. Why?

“...a garland of grace on your head and present you with a crown of splendor.”

Something for Everyone - Prayer Guide

Maybe you can't physically participate in a mission project. Maybe your dexterity won't allow you to make salvation bracelets or glue tracts onto light bulb packages. Maybe your financial condition won't allow you to give even the 'widows mite.' But, you can pray! To help you pray for specific mission needs, a monthly Praise and Prayer Guide is available. They are free and mailed about the second week of each month. By mail, [e-mail](#) or phone, just let us know how many you need each month - from one to any reasonable quantity.

AT&T Fast Access DSL

Are you struggling with a slow dial up Internet connection? Are you in a area where you can get AT&T? Check out the AT&T Fast Access DSL for only \$19.95/mnth! [Click Here for more info...](#) If you sign up, mention **Referral Code WA1012511** and AT&T will give EGTMInc a referral bonus!

Financial Gifts Ministry by Angie Stafford

My husband and I believe in 'putting our money where our heart is.' We tithe our church and give to EGTMInc because we know that both are reaching out to lost souls. Instead of writing a check to EGTMInc, I go to the website and use my credit card which gives me 'points.' These points are then used to pay for our mission travel. It's one of those rare win-win situations. Give it a try. [Click here](#) to give your financial gift using your credit card.

I could use your assistance in our financial gifts ministry. Our missionaries need us to make sure they have all the tools needed to help push back the spiritual darkness. People will give and support good works. Our mission is to let them know our needs. Please [email](#) me or give me at call at (828) 668-7825 and let's chat a minute about how you can get involved.

The Nehemiah Story - Part Six - The Inspection

Have you ever gallantly fought against something, or someone, until you became weary, and just gave up? Then through some outside source, you were encouraged to once again 'take up the fight.' It appears that the people of Jerusalem had given up the fight. Over the years, a half-hearted effort had been made to restore the protective walls, [...more](#)
